To whom it may concern,

We have had the extreme pleasure of working with Shahab Zargari on a number of projects as an editor, including award-winning film Out of Time to several seasons of web-series Up Up and Away.

Shahab is a consummate professional and always strives to do his job to a level even greater than expected. Regardless of the turnaround timeframe, budget, and project parameters, he always brings his cheerful attitude and high quality to the team, elevating everything he works on.

We can't recommend him highly enough and know that he would be an invaluable asset to any production.

With our highest regards,
