

THANK YOU!

Dear Shahab,

Just a quick note to thank you for your beautiful production of all of the UNLV Arts Worldwide episodes, and especially for the work and care that you put into Episode 16 with Eric Whitacre. I think it was a very uplifting experience for all of us - and at a time when we need to continue celebrating each other and the goals of our College. Time and time again, you do so much for all of us!

Hope you are doing well, Shahab, and thanks again!

Sincerely,
David
